Financial Solution, Diagnostic Advantage

We understand your focus is on clinical diagnostics, to help you achieve your goals our Financial Services group has created a financing alternative for your laboratory. This All Inclusive Lease Agreement allows you to consolidate your instruments, services and consumables into one convenient monthly lease payment, allowing you to focus more on your area of expertise.

Program Details:

Terms can range from 36 to 60 months, and are structured as a Fair Market Value lease to receive the lowest monthly payment. At the end of your initial term, you can also alleviate any concerns about equipment obsolescence, and set your direction based on the following options.

- Return the equipment to Thermo Fisher Scientific and upgrade to new technology
- Purchase the equipment at its Fair Market Value
- Continue to lease the equipment

Contact our Financial Services team for more information on this program and the best options to meet your needs.
