

- Choice of brands from hundreds of trusted manufacturers...ensuring your work is always of the highest quality.
- Convenient, one-source access to thousands of items... letting you focus on your work, not paperwork.
- A full suite of products to automate otherwise time-consuming steps in your microbiology workflow such as plating, diluting and counting.
- Easy ordering and expedient delivery...
 assuring you get what you need when you
 need it.

- Tailored end-to-end solutions... helping you achieve long-term savings.
- Services that can streamline your business processes ... reducing your operating costs.
- Laboratory safety and personal protection equipment to minimize the risk of work injury
